

ROTAX® ACE™ ENGINES (1500 HO ACE & 1630 ACE)

ERGOLOCK™ SEAT WITH STEPPED DESIGN

EXCLUSIVE LIMITED PACKAGE

FRONT STORAGE WITH WATERTIGHT REMOVABLE STORAGE BIN

TILT STEERING

ELEMENT RIDING SUIT (OPTION)

2017 LUXURY

GTX⁺ LIMITED 230 / 300

These luxury watercraft provide comfort, countless unique features like the Ergolock seat with stepped design and the powerful 230-hp or 300-hp Rotax engines. Everything you need for a riding experience that meets, and exceeds your needs.

3

Jet Black Metallic & Deep Pewter Satin ab

iTC / **iBR** / **S³** / **CLCS** / **ECO**

RIDER CAPACITY

Weight capacity 600 lb / 272 kg

DIMENSIONS

Fuel capacity 15.9 US gal / 60 l
 Length 139.2" / 353.5 cm
 Width 48.2" / 122.4 cm
 Weight (dry) 894 lb / 406 kg (GTX LIMITED 230)
 909 lb / 412 kg (GTX LIMITED 300)
 Storage capacity 42.8 US gal / 162 l

HULL

Type S³
 • Longer platform
 • Rough water inspired deep-V hull
 • Stable and predictable

ENGINE

Type Rotax 1500 HO ACE
 Rotax 1630 ACE
 Intake system Supercharged with external intercooler
 Displacement 1,494 cc (1500 HO ACE)
 1,630 cc (1630 ACE)
 Cooling Closed-Loop Cooling System (CLCS)
 Reverse system Electronic iBR®
 Starter Electric
 Fuel type 87 octane – minimum
 91 octane – recommended for GTX Limited 300

GTX LIMITED 230 / 300

ENGINE

1,494 cc or 1,630 cc four-stroke, Rotax with three cylinders in-line and four valves per cylinder

Rotax engines with maintenance-free supercharger, external intercooler and the Advanced Combustion Efficiency (ACE) technology. The new Rotax 1500 HO ACE is optimized for regular fuel, faster and more powerful than its predecessor, but just as fuel efficient, while the Rotax 1630 ACE is the most powerful Rotax engine ever delivering high efficiency and amazing acceleration.

iTC™ (Intelligent Throttle Control) system

Operating electronically, this advanced throttle system starts you in neutral for easier dockside starts. It also features activity-specific Touring, Sport and ECO™ modes that can all be set to accommodate your riding style. The result is a more responsive, more intuitive ride.

iControl® Learning Key®

The programmable Learning Key allows you to limit the performance of the PWC based on rider skill-level.

D-Sea-Bel™ system

Combines a series of resonators and vibration-absorbing components to make Sea-Doo watercraft some of the quietest on the water.

Closed-Loop Cooling System

Uses coolant to keep the engine running at the ideal temperature, much like a car's radiator. Also keeps out corrosive saltwater and debris.

FEATURES

iControl

The "Brain" that integrates and controls all systems to create the best possible ride.

S³ Hull®

Stepped, stable & strong. The stepped design reduces drag and keeps you glued to the water.

Touring mode / Sport mode

Offers a choice between two throttle responses for different riding styles. Touring mode is the default setting offering a more progressive acceleration curve for a more confident ride – ideal for cruising and 2-up riding. Sport mode can be easily activated using the Sport button. It provides all acceleration performance for a more aggressive throttle response.

ECO mode

This iTC function automatically determines the most economical power delivery and sets the optimal RPM for greatest fuel economy.

Hinged seat

Easy-open seat with convenient stay-open support struts. Provides easy access to the engine compartment while remaining attached to the watercraft.

Ergolock seat with stepped design

Seat with narrow profile and knee support that lets people sit in a more natural position and leverage their leg muscles to hold on to the machine for more control and less upper body fatigue. Also featuring a stepped design for more comfort and better visibility to passengers.

Reboarding ladder

Makes reboarding from the water easier and quicker.

Ski tow eye

For easy and secure attachment of ski rope.

Watertight, removable storage bin

Provides dry storage for luggage and necessities with easy access.

Tilt steering

4 adjustable steering angles for maximum ease and comfort.

RF D.E.S.S.™ Key

With radio frequency technology and a ball-and-socket design, the Digitally Encoded Security System (D.E.S.S.) key provides riders with easy and quick starts every time.

Interactive Multifunction Digital Information Center

Cruise control, Slow mode, VTS preset, Fuel consumption instant & average, Fuel level, Tachometer, Speedometer, Hour meter, Compass, Clock, Touring mode, Sport mode, ECO mode, F-N-R indicator and more.

FEATURES CONTINUED

Handlebars with palm rest	Rear grab handle
Sponsons	Seat strap
Bumpers	Quick latch fuel filler design
Wide-angle adjustable mirrors	Dual drain plugs
Large front storage compartment	Flush kit
Footwell carpets with Sea-Doo logo pattern	Emergency floating lanyard
Swim platform carpet with Sea-Doo logo	Operator's guide, instructional video and booklet

PROPULSION SYSTEM

iBR (Intelligent Brake & Reverse) system

First and only true brake on a watercraft recognized by the U.S. Coast Guard for improving boating safety since 2009. Now in its 2nd generation, the intuitive and improved iBR allows you to stop close to 160 feet sooner¹ for greater peace of mind. All with the squeeze of a lever. And with its electronic reverse, it gives you a level of maneuverability that makes docking easier.

Stainless steel impeller

Delivers improved acceleration, higher top speed and less cavitation.

LIMITED PACKAGE

High-performance VTS™ (Variable Trim System)

The VTS adjusts the angle of the nozzle to change the behavior of the watercraft and improve parallelism to the water. The high-performance VTS provides pre-set positions for quick settings.

Additional gauge functions

Depth finder, Time / Distance to empty, Altitude indicator, Water temperature.

Sea-Doo Speed Tie™

Automatic retractable mooring lines eliminate the hassles of traditional docking lines.

Dry bag

Keeps contents dry and converts to backpack when removed.

Safety equipment kit

Contains all the essential safety equipment.

Glove box organizer kit

Ideal to keep gear or cell phone dry; removable and splash-resistant.

Watercraft cover

Protect your PWC.

Exclusive coloration

OPTIONS

Retractable Ski Pylon
 Wakeboard Rack
 Ski Module
 X package module (Top / average speed / RPM, Lap timer and Engine temperature)
 12-Volt Outlet and Installation Kit
 Bilge Pump Kit
 Sandbag Anchor
 Fire Extinguisher
 Snap-in Fenders and Installation Kit
 Sea-Doo Move Trailer

WARRANTY

BRP limited warranty covers the watercraft for one year.
