### Weight

Dry weight	805 lb / 365kg
------------	----------------

### Warranty

BRP limited warranty covers the watercraft for one year.

## Feature Highlights

**Direct Access Front Storage**

Large front storage area that's easily accessible from a seated position.<sup>1</sup>

**BRP Audio-Premium (optional)**

An industry-first manufacturer-installed, truly waterproof, Bluetooth<sup>®</sup> audio system.

**Swim Platform with Integrated LinQ™ System**

Exclusive quick-attach system on the largest swim platform in the industry allows for easy installation of storage accessories.

**iBR® (Intelligent Brake & Reverse)**

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

**ST3 Hull™**

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

**Watertight Phone Box**

Waterproof and shockproof compartment specifically designed for phone protection.<sup>2</sup>

## Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II
